Congregation 2 May

A legislative proposal and explanatory note on changes to Statute XIV (together with associated regulations) were published in Gazette No 5164, 23 March 2017. A notice of opposition and two notices of amendment to that legislative proposal were received, which were set out in Supplement (1) to Gazette No 5166, 27 April 2017.

A Congregation meeting took place on 2 May in the Sheldonian Theatre. The order of business for the meeting was set out in the supplement. At the meeting both amendments were rejected and the legislative proposal was carried (see further below).

Included in the 4 May Gazette was a notice regarding the circumstances in which the business from the meeting on 2 May would be adjourned to the meeting on 16 May. Given the outcome of the votes on the amendments at the meeting, it was not necessary for the proceedings to be adjourned to 16 May.

Meeting of 2 May

A transcript of the 2 May debate is published with this issue of the Gazette.

At the meeting, the results were as follows:

Amendment 1: to raise the age of retirement to 30th September immediately preceding the employee’s 71st birthday

56 votes in favour; 97 votes against. The amendment was accordingly rejected.

Amendment 2: to raise the age of retirement to 30th September immediately preceding the employee’s 70th birthday and to further raise this to 30th September immediately preceding the employee’s 71st birthday from the fifth year onwards

57 votes in favour; 95 votes against. The amendment was accordingly rejected.

Legislative proposal (as reproduced in Supplement (1) to Gazette No 5166, 27 April 2017)

104 votes in favour; 19 votes against. The legislative proposal was accordingly carried.

Postal vote on Amendment 1

Since more than 50 members of Congregation have requisitioned a postal vote on Amendment 1, the rejection of Amendment 1 in Congregation on 2 May is not confirmed, and a postal vote on Amendment 1 will now take place.

Amendment 1: to raise the age of retirement to 30th September immediately preceding the employee’s 71st birthday

The positive benefits of abolition of the EJRA have been exaggerated. Only Oxford, Cambridge and St Andrews have an EJRA and there are no reports from any of the other UK universities of any adverse consequences of abolishing a mandatory retirement age.

The potential negative effects of abolition have been exaggerated. Only Oxford, Cambridge and St Andrews have an EJRA and there are no reports from any of the other UK universities of any adverse consequences of abolishing a mandatory retirement age.

The positive benefits of abolition of the EJRA include the following:

- Eliminates age discrimination.

- Recognises the demographic changes in society, increases in active life-expectancy and reduces pressure on pension funds with an ageing population.

- Gives academic and academic-related staff the element of choice of when to retire as enshrined in the Equality Act (2010).
• Allows active and successful researchers, many at the height of their powers, to continue to benefit society and the University.
• Retains willing and experienced teachers to the benefit of students and potentially reducing the load on early career academics.
• Enables women to make up for loss of pension provision arising from career breaks associated with child-bearing and rearing.
• Keeps Oxford competitive in attracting and retaining world-leading researchers.
• Avoids stress on staff seeking extension beyond the EJERA by a selection process that many have found to be obstructive.
• Avoids processes, costly both to the individual and to the University, in the University Appeal Court and external Employment Tribunals.
• Avoids damage to relations between colleagues within departments.
• Removes potential for inconsistent treatment of holders of joint appointments by colleges and departments.

Council considers the resolution unacceptable to it given the recommendations of the review and the extensive consultation which has taken place across the University. A debate will therefore be held at the Congregation meeting on 16 May.

Arrangements for the meeting
A meeting will be held at 2pm on 16 May in the Sheldonian Theatre for the discussion at (1) above and for the debate and voting on the resolution at (2) above.

ATTENDANCE AND TIMINGS
Attendance at the meeting is open to members of Congregation and to nominated representatives of the Oxford University Student Union (OUSU) as agreed in advance by the Vice-Chancellor. Admission to the theatre will be on the production of a valid University card and will be on a first-come, first-served basis (places will be reserved for scheduled speakers). The doors of the Sheldonian Theatre will open at 1.45pm and will remain open throughout the meeting except when voting is taking place (see further the order of business below). The Vice-Chancellor has decided that the wearing of gowns shall be optional on this occasion.

ORDER OF BUSINESS
The Vice-Chancellor will open the meeting at 2pm and set out the procedure and order of business to ensure that Congregation has the opportunity for full debate. It is expected that the discussion will finish by about 2.50pm, following which there will be speeches and a vote on the resolution.

(1) Topic for Discussion
The topic for discussion is the first item on the agenda. This will comprise a series of speeches only. Information for those wishing to speak in the discussion is provided below.

(2) Resolution
The resolution is the second item on the agenda. This will comprise a series of speeches followed by a vote. The procedure and order of business for this part of the meeting will be as follows:
• The resolution will be moved and seconded.
• The opposition to the resolution will be moved and seconded on behalf of Council.
• Further speeches will be invited in support of or in opposition to the resolution as time permits (information for those wishing to speak is provided below).
• The mover of the opposition to the resolution will be given the opportunity to respond to the debate.
• The mover of the resolution will be given the opportunity to respond to the debate.
• There will be a vote on the resolution (information about voting is provided below).

Advance notice by speakers
Members of Congregation who wish to speak are asked to indicate this intention by emailing congregation.meeting@admin.ox.ac.uk by noon on Monday, 15 May at the latest. They are also asked to state whether they wish to speak in the discussion and/or in the debate on the resolution (and, in the latter case, whether in support of or in opposition to the resolution). It would be helpful if members of Congregation intending to speak would explain in no more than 25 words what issues they wish to cover to assist with determining the order in which speakers are called. Speakers will be expected to limit their contributions to four minutes. Owing to time constraints, it may not be possible to call all those who wish to speak. On the other hand, if time permits, those who have not indicated in advance may have an opportunity to speak.

Voting
As set out above, a vote on the resolution will be taken following all of the speeches.

The Vice-Chancellor and the Proctors have determined that voting at the meeting will take place by paper ballot. Members of Congregation will be required to identify themselves on their voting slips by name and signature and by college/department or faculty and to deposit their own voting slips in ballot boxes at the doors of the House. Slips will be sorted and counted by the Proctors, and will subsequently be kept confidentially by the Proctors for six days, after which they will be destroyed.

Transcript
It is intended that a transcript1 of the meeting will be published in the Gazette of 25 May and, before then, on the Congregation website. As a result of time constraints, it will not be possible to check the report of the proceedings with individual speakers before publication. Speakers are asked to provide their written texts by email to congregation.meeting@admin.ox.ac.uk by 9am on Wednesday, 17 May.

1The transcript may be edited for legal reasons.

Consultative Notices

Review of the University's implementation of the Prevent duty

The Counter-Terrorism and Security Act 2015 creates a statutory duty for specified public authorities, including universities, to 'have due regard to the need to prevent people from being drawn into terrorism' (the Prevent duty). In complying with the Prevent duty, universities must 'have particular regard' to both 'the duty to ensure freedom of speech' and 'the importance of academic freedom'.

The University established a steering group, including representatives from the academic divisions, Congregation, UAS and the Conference of Colleges, to consider in detail how the University should respond, and give effect to, the statutory duty. As part of the risk assessment and action plan submitted to HEFCE (the body responsible for monitoring universities' compliance with the duty) in August 2016, Council undertook to conduct an annual review to:

- ensure that changes to University regulations and procedures associated with the Prevent legislation and any actions taken in relation to Prevent are not undermining, remain subject to, and are operating in a manner to secure and protect the rights of academics, students, staff and visiting speakers under existing law, including the Education (No 2) Act 1986, the Human Rights Act 1998, the Equality Act 2010 and data protection legislation.'

This review is being undertaken by Professor Hugh Collins, Vinerian Professor of English Law, All Souls. Professor Collins will consult with relevant parties (including, but not limited to, Student Welfare and Support Services, OUSU, the Equality and Diversity Unit and the Proctors' Office) on their experience of the University’s implementation of the Prevent duty. Members of staff or students who have any comments or issues which they would like to be considered as part of this review within the terms of reference set out above should email these to prevent-review@admin.ox.ac.uk before 4pm on 9 June.
Comments should be sufficiently detailed to allow the reviewer to give them full and proper consideration but will be treated in confidence.

As the University and each of the colleges are being separately monitored by HEFCE, this review will necessarily focus on the University’s implementation of the Prevent duty. However, if any generic issues come to light as part of this review, which may have implications for the collegiate University as a whole, they will be shared with the Conference of Colleges as appropriate. Many college governing bodies are conducting similar internal reviews and any comments on college-specific matters should therefore be directed to the relevant college in the first instance.

Further information on the Prevent duty and on the University’s approach can be found at https://www1.admin.ox.ac.uk/councilsec/prevent.
