Council of the University

Nomination of external member of Council

Under regulation 9.3 of Congregation Regulations 2 of 2002, the nomination below shall be deemed to be approved unless not later than 4pm on 13 April the Registrar has received from not fewer than 20 members of Congregation a written request for a postal ballot to be taken in respect of that nomination.

Approval of the nomination of Dame Kate Barker as an external member of Council

The nomination by Council, under the provisions of section 4 (7)–(10) of Statute VI, of Dame Kate Barker to fill the vacancy left by Sir Crispin Davis, who stood down after two terms as an external member of Council, is submitted for approval.

Notes on the nominated external member of Council

Dame Kate Barker, a business economist with extensive experience in both the public and private sectors, was made Dame Commander of the Order of the British Empire for services to the economy in 2014. She graduated in Philosophy, Politics and Economics (St Hilda’s 1976) and subsequently worked as an economist at the National Institute for Economic and Social Research, Ford of Europe and the Confederation of British Industry, where she was Chief Economic Advisor.

From 2001 to 2010 she was a member of the Monetary Policy Committee at the Bank of England. During this time she led two major public policy reviews commissioned by the then Chancellor and the Secretary of State for Communities and Local Government: the Barker Review of UK Housing Supply (2003–4); and the Barker Review of Land-Use Planning (2005–6). She later chaired the Commission on the Future of Health and Social Care in England for the King’s Fund.

Until 2010 she was a member and then Chair of the Board of Governors at Anglia Ruskin University. More recently she has been a senior advisor to Credit Suisse and a non-executive director of Electra Private Equity plc.

Dame Kate is currently the Chair of Trustees at the British Coal Staff Superannuation Scheme and holds non-executive directorships at Yorkshire Building Society and Taylor Wimpey plc, at which she is a member of the audit, risk and remuneration committees. She is also Chair of the Consumer Prices Stakeholder Panel at the Office for National Statistics and a non-executive member of the Office for Budget Responsibility.

Congregation

25 April

¶ Members of Congregation are reminded that any two members may, not later than noon on 17 April, give notice in writing to the Registrar that they wish to oppose or amend the resolution below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the resolution shall be declared carried, and the meeting may be cancelled.

Voting on a Resolution authorising the use of space in the Radcliffe Science Library

The University museums (comprising the Ashmolean Museum, the Oxford University Museum of Natural History, the Pitt Rivers Museum and the History of Science Museum) house a large amount of material, predominately collections not on public display, within the Old Power Station (OPS). On 24 March 2015 Congregation approved the allocation of the OPS to the Saïd Business School (Gazette No 5091, 19 March 2015, p428), effective upon the building becoming vacant.

On 18 February 2016 Congregation approved the allocation of the sub-basement of the Radcliffe Science Library (RSL) to the museums to help facilitate the move of the collections out of the OPS and allow for the preparation and
storage of the collections. The Gardens, Libraries and Museums Division (GLAM) is now requesting allocation of part of the basement of the RSL to create a long-term shared Collections Research Centre (CRC). This may also further facilitate the removal of material from the OPS (which exceeds the capacity of the sub-basement), as well as (potentially) material located in the All Saints Church at Nuneham (as the site is in the process of being sold) and other small storage sites across the University. In addition, it anticipates that the space will provide facilities for teaching, research and conservation.

GLAM believes that the creation of the CRC will provide much-improved access to the collections in a central Oxford location, adjacent to the museums and academic departments, and will facilitate use of the collections for research projects and enhance the scope for interdisciplinary work.

The proposed allocation has been discussed specifically with the Mathematical, Physical and Life Sciences and Medical Sciences Divisions and there are no competing bids for the space.

Text of Resolution
That approximately 1,852 sqm net usable area (NUA) in the basement of the Radcliffe Science Library (building number 225) be allocated to the University museums (comprising the Ashmolean Museum, the Museum of the History of Science, the Oxford University Museum of Natural History and the Pitt Rivers Museum) for an initial period of five years from a date on or before 1 October 2017.

Congregation 2 May

† Members of Congregation are reminded that any two members may, not later than noon on 24 April, give notice in writing to the Registrar that they intend to oppose or amend the legislative proposal below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the legislative proposal shall be carried, and the meeting may be cancelled.

Voting on Legislative Proposal: Statute XIV: Employment of Academic and Support Staff by the University

Explanatory Note

INTRODUCTION
The Employer-Justified Retirement Age (EJRA) was introduced, following extensive consultation, in 2011, after the abolishment of the default retirement age. It requires all academic and academic-related staff to retire on 30 September preceding the 68th birthday, unless they have successfully made a case for extended employment.

The EJRA was introduced for a period of ten years, with the expectation that it would be reviewed in 2016 and 2021. The 2016 review has now been conducted by an independent Review Group (‘the Group’) comprising senior staff from each of the divisions and representatives from Congregation and the Conference of Colleges. The Group was asked to consider:

i. the extent to which the EJRA is meeting the aims identified when the policy was established, and thus can be justified in law;
ii. whether the EJRA is appropriately set at the 30 September before an individual’s 68th birthday; and
iii. whether the policy is applied to the right staff groups.

The Group’s report, which makes 11 recommendations, is published online at: www.ox.ac.uk/staff/consultations/ejra-review.

In summary, the Group recommends:

- that the EJRA be retained, with adjusted aims and a reduced coverage; that the age for the EJRA be raised to 68 (with a recommendation that it is raised by a further year to 69 following the ten-year review in 2021, in line with anticipated increases in longevity of two years per decade); that the procedure be revised to better support all those involved; and that all these changes come into effect as soon as is practicable.

At its meeting on 6 February, Council received the Group’s Report and agreed to publish it within the University and to consult on its recommendations. The consultation is published at www.ox.ac.uk/EJRA. The Vice-Chancellor sent an email to staff launching the consultation on 10 February, and held her Question Time on 7 March on the subject of ‘Retirement at Oxford and you’. There was an online consultation, to which 71 responses were received. These have been published in full on the EJRA website save where respondents asked that their feedback be withheld from publication or that it be published anonymously. 135 staff attended the Vice-Chancellor’s question and answer session, which was fully booked.

At its meeting on 13 March, Council considered the Report for a second time and the feedback from the consultation. Council is very grateful to the Group for its careful consideration of the issues, and to all those who contributed to the consultation, orally at the Question Time and online. The responses demonstrate the diverse range of views held on this in the University, and the strength of feeling this issue can generate. Council fully acknowledges that coming to a decision on the future of the EJRA is a difficult one for the University.

After giving careful consideration to the Report and to the feedback received, Council recommends the adoption of all the recommendations of the EJRA working group.

THE LEGISLATIVE PROPOSAL
The following legislative proposal is put forward by Council and seeks approval for amendments to the statutes and regulations which govern the coverage of the EJRA and the age at which it is set.

If the legislative proposal is carried, the EJRA policy and exceptions procedure, related guidance and supporting documents will be reviewed and updated by Personnel Committee subject, in the case of the policy and procedures, to the approval of Council to give effect to the remainder of the Group’s recommendations. In doing so, these bodies will in particular address recommendations 8–10 to improve the processes involved in the implementation of the EJRA for all concerned, particularly for potential applicants under the policy to work beyond the EJRA.

THE GROUP’S REPORT
The Group operated entirely independently and took a consultative and evidence-based approach. It ran three open meetings for staff, took feedback through a dedicated inbox and consulted the UCU, divisional boards, and other relevant staff groups, including recently retired staff. It considered internal and external data and was briefed on pensions and legal matters.

The data on which the Group based its analysis, along with a description of the Group’s reasoning, are contained within the Report and its annexes.
CONCLUSIONS

The Group considered each of the Aims in turn and decided that they remain important to the University’s objective to sustain high standards in teaching, research and administration.

It assessed the evidence concerning the EJRA’s contribution, in the first five years of its operation, to the achievement of the Aims of the University and concluded that the evidence is showing, in the main, that the EJRA is contributing to: opportunities for career progression; refreshment; succession planning; the enhancement of diversity; and intergenerational fairness. They found that, although these objectives remain important, it cannot be shown that the EJRA is contributing substantially to the University’s flexibility in the academic-related workforce or ability to maintain morale in the face of financial constraints.

The Group considered the coverage of the EJRA and decided that it should be adjusted to better reflect the staff groups where the data shows that the EJRA will continue to have the most substantial impact in meeting the Aims. They saw it as an additional benefit that this would align closely with eligibility for membership of Congregation: recognising the importance of consistency of treatment within that body.

In considering the age at which the EJRA should be set, the Group sought to balance the importance of sustaining progress against the Aims with their wish to take into account increased longevity, changes to pension provision, and proportionality, so as to ensure fairness to employees of all ages, including those beginning and those approaching the end of their careers.

The Group noted that there were a number of ways in which the process and supporting documentation for applying for extended employment beyond the EJRA could be improved, to better support individuals and their managers and to ensure that staff reaching the retirement age have clarity about their options, feel valued and have sufficient time to discuss their case. Better training for relevant line managers is required.

RECOMMENDATIONS

The Group’s recommendations are as follows:

(a) Recommendations concerning the EJRA policy

Recommendation 1: The Group recommends that the Aims be recast in order to make clear that the first Aim is an overarching objective which relies on the achievement of the other Aims, and not a freestanding objective in itself.

NB: The first Aim reads: Safeguarding the high standards of the University in teaching, research and professional services.

Recommendation 2: The Group noted that they had not been able to draw conclusions about the impact of the EJRA on ethnicity and disability because the number of staff known to belong to these minority groups is smaller than the number for whom their status is unknown. It is recommended that steps be taken to address the high proportion of ‘unknowns’ if at all possible before the ten-year review of the EJRA in 2021, in order that a fuller analysis in relation to these minority groups can be undertaken.

Recommendation 3: The Group recommends that the sixth Aim be removed, on the basis that there is little evidence that the EJRA is contributing to it.

NB: The sixth Aim reads: Facilitating flexibility through turnover in the academic-related workforce, especially at a time of headcount restraint, to respond to the changing business needs of the University, whether in administration, IT, the libraries, or other professional areas.

Recommendation 4: The Group recommends that the seventh Aim be removed, on the basis that there is no evidence that the EJRA is contributing substantially to it, and that the University is currently using other means to achieve it.

NB: The seventh Aim reads: Minimising the impact on staff morale by using a predictable retirement date to manage any future financial cuts or constraints by retiring staff at the EJRA.

Recommendation 5: The Group recommends that the EJRA be retained, with the purpose of safeguarding the high standards of the University in teaching, research and professional services, through its contribution to the achievement of the revised set of Aims.

Recommendation 6: The Group recommends that the coverage of the EJRA be aligned with the group of staff who are eligible for membership of Congregation ie to academic staff, research, and administrative and professional staff in grades 8 and above.

Recommendation 7: The Group recommends that (with due notice) the EJRA be moved by one year to 30 September before the 69th birthday (ie an EJRA of 68) for all staff that it covers. It further recommends that the age of the EJRA be raised by another year to 69 in 2022, to mirror changes in longevity, provided that the ten-year data confirms the trends observed in this interim review.

(b) Recommendations concerning the exceptions process (‘the procedure’)

Recommendation 8: The process, and particularly the paperwork supporting it, should be reviewed to ensure that it protects the dignity of applicants, is relevant to each staff group, and emphasises the value that the University places on those who have been in its employ.

Recommendation 9: Further support, perhaps in the form of training and guidance, should be given to heads of department to ensure that they can carry out their role in the process effectively and supportively. This should include further information on the alternatives to extended employment.

Recommendation 10: Thought should be given to whether further guidance is necessary in relation to the funding of extensions, to assist those for whom less grant funding is accessible to identify other legitimate funding sources in support of applications for extensions.

Recommendation 11: The deadline for applications for extended employment for all staff should be moved to two years prior to the EJRA date.

IMPLEMENTATION

It is proposed that the change in the coverage of the EJRA and the change in the retirement date from 30 September preceding the 68th birthday to 30 September preceding the 69th birthday will come into effect from 1 October 2017 ie those who are due to retire at age 67 on 30 September 2017 will do so. All other staff will have a retirement date of 30 September preceding the 69th birthday, unless they have successfully applied to the EJRA Committee (or, before 1 October 2015, to the EJRA Panel) for an extension to their employment.

The change in deadline for applications for extensions (from one year prior to the EJRA
date to two years prior to the EJRA date) will also come into effect on 1 October 2017.

If any individual has an EJRA date later than 30 September preceding their 69th birthday and that date falls before 30 September 2019, such that it will not be possible for them to apply for any subsequent application two years in advance, an individual timetable will be set, with the agreement of the Chair of the EJRA Committee.

A table setting out how this will affect those who are nearing the EJRA is available online at www.ox.ac.uk/EJRA.

WHEREAS it is expedient to amend Statute XIV concerning employment, THE UNIVERSITY ENACTS AS FOLLOWS.

1 In Statute XIV, concerning employment, amend section 15 as follows (new text underlined, deleted text struck through):

15. (1) Every employee of the University who holds a post on, or assessed as equivalent to, grade 8 or above within section 3 (2) or (6) of Statute XII, other than the holder of a professorship to which a canonry is annexed who is exempt from membership of the appropriate pension scheme referred to in section 12 of this statute, shall normally retire from employment not later than the 30th September immediately preceding his or her 69th birthday. If any individual has an EJRA date later than 30 September immediately preceding his or her 68th birthday, he or she may retire at any time after the minimum pension age stipulated in the rules of the pension scheme to which he or she belongs, as may be amended from time to time. Retirement benefits payable will be in accordance with the rules of the pension scheme.

(2) Council may make arrangements to provide for the continued employment in special cases of a person who wishes to remain in the employment of the University and whose services for the University it desires to retain.

2 In Council Regulations 21 of 2002, concerning University officers, amend regulation 4 as follows (new text underlined, deleted text struck through):

4. The Vice-Chancellor is subject to the provisions concerning retirement age as set out in the Regulations for the Employment of University Staff section 15 of Statute XIV.

3 These regulations shall be effective from 1 October 2017.

Call for nominations for Honorary Degrees to be conferred at the Encaenia in 2018, and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred.

The deadline for nominations to be considered for Encaenia 2018 is 5 May 2017.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. It will consider new nominations alongside nominations received in the last three years.

When considering possible honorands, the committee will focus on individuals in the following categories:

1. those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
2. those distinguished in the visual, literary, musical and performing arts
3. those distinguished in business and industry
4. those who have played a distinguished role in public life, for example in contributing to progress and change in society
5. those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced list, which takes account of the global dimension that characterises this University’s activities.

It has adopted a target that half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees at the Encaenia in 2018 and for degrees by diploma should be submitted on the approved application form. Further information and copies of the form are available at www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs (single sign-on required), or from the Secretary to the Honorary Degrees Committee (ellen.hudspith@admin.ox.ac.uk, (2)80092). The completed form should be returned to the Secretary by email by 5 May 2017, under ‘Strictly Confidential’ cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferment of an honorary degree. All nominations will be considered in strict confidence by the committee. The committee will report to Council in September and October and a list of honorands will be put to Congregation in Hilary term 2018.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the University Calendar and on the aforementioned website.

The honorands at Encaenia 2018 will be:

Bryan A Stevenson
Shirley Williams, Baroness Williams of Crosby
Professor Robert Darnton
Frank Gehry
Professor Eugene Braunwald
Professor Joan Argetsinger Steitz
Professor Judith Weir
