General Purposes Committee of Council

Establishment of the Oxford Physics Endowment Fund for Graduate Students

Explanatory Note

These regulations establish the Oxford Physics Endowment Fund for Graduate Students, following receipt of a donation from the Lueck-Traversy Charitable Trust.

Text of Regulations

In Part 2 of Council Regulations 25 of 2002, concerning trusts, insert new §275 as follows, and renumber existing §275 onwards by plus one:

§275. Oxford Physics Endowment Fund for Graduate Students

1. The University receives with gratitude the sum of £100,000 from the Lueck-Traversy Charitable Trust to be held as expendable endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Oxford Physics Endowment Fund for Graduate Students (“the Fund”).

2. The University shall retain as permanent endowment those of the assets in the Fund (if any) which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).

3. The University shall (a) apply the income of the Permanent Endowment (if any); and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, towards supporting graduate students undertaking a course of study in the Department of Physics.

4. The administration of the Fund, and the application of its income, shall be the responsibility of the Department of Physics Management Committee.

5. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

6. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund.

7. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.

8. Regulations 1–10 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.

9. Subject to regulation 10, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:

   (1) cease to be exclusively charitable according to the law of England and Wales; or

   (2) be outside the objects of the University.

10. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.

Congregation 13 December

Members of Congregation are reminded that any two members may, not later than noon on 5 December, give notice in writing to the Registrar that they intend to oppose or amend the legislative proposal below (see the note on the conduct of business in Congregation below). If no such notice has been given, and unless Council has declared otherwise or the meeting has been adjourned, the legislative proposal shall be declared carried, and the meeting may be cancelled.

Voting on Legislative Proposal: Consolidation of Small Trust Funds

Explanatory Note

Council has previously passed resolutions for the purposes of the Charities Act 2011 to consolidate trust funds held by the Faculty of Classics, the Faculty of Medieval and Modern Languages, and the Medical Sciences Division (see Gazette No 5070, 25 September 2014, p7, for trust funds held by the Faculty of Classics; Gazette No 5069, 24 July 2014, p618, for trust funds held by the Faculty of Medieval and Modern Languages; and Gazette No 5061, 22 May 2014, p493, for those held by the Medical Sciences Division). Council’s approval was subject to the acceptance of those resolutions by the Charity Commission. The Charity Commission has subsequently confirmed that it is satisfied that the resolutions meet the requirements of the 2011 Act. That condition therefore having been met, these legislative changes repeal regulations and parts of the Schedule to the Statutes for the individual trusts that have been left dormant following this process.

WHEREAS it is expedient to amend the Schedule to the Statutes and Part 2 of Council Regulations 25 of 2002 concerning trusts, NOW THE UNIVERSITY OF OXFORD, in exercise of the powers in that behalf conferred upon it by the Universities of Oxford and Cambridge Act, 1923, and of all other powers enabling it, ENACTS, subject to the approval of Her Majesty in Council, AS FOLLOWS.

The University of Oxford has a reputation for academic excellence. In the current climate of austerity, I believe it also has a duty to ensure this is achieved in an ethical and financially sustainable manner.

As PI on a $3.3 million grant from the National Institute of Health I understand the requirement for robust audit to ensure the most efficient and effective use of research resources.

As an obstetrician I am involved in clinical audit, undertaken to ensure patient safety by appropriate adherence to relevant protocols and guidelines. I also have considerable experience in risk management and clinical governance. I believe that this experience, allied with strong communication skills, will enable me to be an effective member of this committee.

I have a strong track record in bringing together academics from different backgrounds to generate exciting new collaborations. I established and lead an

international collaboration for placental research and am the UK representative on the European Working Group for Abnormally Invasive Placentation. I believe that my ability to work collaboratively with will prove invaluable to the committee.

I am proud to have been educated by Oxford University and have worked hard to become an active teacher and mentor for both pre-clinical and clinical students. I am also the University internal examiner for the OandG finals.

I look forward to being part of the team working towards ensuring the University has a transparent and rigorous HEFCE audit process.

Professor Jane Kaye, BA ANU, LLB
Melbourne, DPhil Oxf, Faculty of Law, Faculty of Clinical Medicine

Nominated by:
A M Buchan, Corpus Christi, Faculty of Clinical Medicine
Dame Fiona Caldicott, Somerville, Faculty of Clinical Medicine
A R McLean, All Souls, Faculty of Zoology
S J Whatmore, Keble, Faculty of Anthropology and Geography

Candidate statement:
The University of Oxford carries out an ambitious program of building works and research and teaching activities that runs into the millions of pounds per annum. These activities have an impact on thousands of people’s lives and we have a responsibility to ensure that such spending furthers the goals in the University, but also meets the highest standards of risk management, accountability, transparency and audit. In these difficult times, it is imperative that as an institution we spend and manage finances wisely and strategically, demonstrating efficiency, effectiveness and value for money. Statute requires that we have governance processes and procedures in place, such as the Audit and Scrutiny Committee, to provide accountability for spending to our funders and benefactors and, as a public body, to society at large. I would bring to this committee expertise gained from my legal training, my academic research on regulation and governance and my experience as a senior academic running a research centre and serving on a number of internal, national and international advisory bodies. I would aim to provide a critical, ‘independent, objective and non-executive’ perspective, which reflected the concerns of Congregation and benefited the work and deliberations of the Audit and Scrutiny Committee and the University as a whole.

Notes:
Nominations in writing for the elections on 24 November, by four members of Congregation other than the candidate, were received by the Elections Office, University Offices, Wellington Square, up to 4pm on Thursday, 27 October.

These statements are now available online at www.admin.ox.ac.uk/elections/elections.shtml and published in this issue of the Gazette. Voters may wish to wait until they have read these statements before returning their ballot papers.

Ballot papers have been sent out to members of Congregation. Completed ballot papers must be received by the Elections Office not later than 4pm on 24 November.
