Consultative Notices

Call for nominations for Honorary Degrees to be conferred at the Encaenia in 2018, and for Degrees by Diploma

Honorary degrees are conferred annually at Encaenia. Degrees by diploma are conferred on heads of state and royalty. Members of Congregation are encouraged to nominate individuals on whom such degrees might be conferred.

The deadline for nominations to be considered for Encaenia 2018 is 5 May 2017.

The Honorary Degrees Committee is charged with considering nominations received, consulting Council and making recommendations to Congregation. It will consider new nominations alongside nominations received in the last three years.

When considering possible honorees, the committee will focus on individuals in the following categories:

1. those of high academic distinction in the fields of research and scholarship of specific interest to the University of Oxford
2. those distinguished in the visual, literary, musical and performing arts
3. those distinguished in business and industry
4. those who have played a distinguished role in public life, for example in contributing to progress and change in society
5. those who have made a significant contribution to the activities of the University of Oxford - such individuals would normally also fall into one of the categories above.

Within the categories above the committee will aim to produce a balanced list, which takes account of the global dimension that characterises this University's activities.

It has adopted a target that half of the final list of names proposed to Congregation for the conferment of honorary degrees will be women and/or minorities. Members of Congregation are therefore encouraged to nominate individuals of conspicuous distinction with particular reference to diversity.

Honorary degrees will not be conferred on anyone who holds, or who has retired from, a resident teaching, research or administrative post within the University or in any college or other society, except in exceptional circumstances such as distinguished service outside the terms of his or her paid service. In these circumstances, a proposal for an honorary MA may be put forward.

Nominations for honorary degrees at the Encaenia in 2018 and for degrees by diploma should be submitted on the approved application form. Further information and copies of the form are available at www1.admin.ox.ac.uk/councilsec/governance/committees/hondegs (single sign-on required), or from the Secretary to the Honorary Degrees Committee (ellen.hudspith@admin.ox.ac.uk, (280092). The completed form should be returned to the Secretary by email by 5 May 2017, under 'Strictly Confidential' cover.

While informal soundings within the University will often be desirable, every effort should be made to ensure that publicity is not at any stage given to any specific proposal for the conferral of an honorary degree. All nominations will be considered in strict confidence by the committee. The committee will report to Council in September and October and a list of honorees will be put to Congregation in Hilary term 2018.

The names of people on whom degrees by diploma and honorary degrees have recently been conferred are published in the University Calendar and on the aforementioned website.

The honorees at Encaenia 2017 will be:

Professor Judith Weir
Professor Joan Argetsinger Steitz
Professor Eugene Braunwald
Professor Robert Darnton
Professor Bryan Stevenson
Shirley Williams, Baroness Williams of Crosby
Frank Gehry
Bryan Stevenson
Professor Jan Argeatinger Steitz
Professor Judith Weir
