General Purposes Committee of Council

Changes to Regulations

The General Purposes Committee of Council has made the following changes to regulations, to come into effect on 2 February.

(a) American Standard Companies Professorship of Operations Management

Explanatory Note

The following changes, made on the recommendation of the Social Sciences Division and the Said Business School, update the regulations to remove outdated references.

Text of Regulations

In Council Regulations 24 of 2002, concerning individual professorships, delete existing regulation §204 and substitute (new text underlined, deleted text struck through):

§204. American Standard Companies Professor of Operations Management

1. The University accepts with deep gratitude the munificent benefaction provided by the American Standard Companies Inc. to establish a Professorship of Operations Management which shall be known as the American Standard Companies Professorship of Operations Management.

2. The American Standard Companies Professor of Operations Management shall lecture and give instruction in Operations Management.

3. The professor shall be elected by an electoral board consisting of:

1) the Vice-Chancellor, or if the head of the college specified in paragraph (2) of this clause is Vice-Chancellor, a person appointed by Council;

2) the head of the college to which the professorship shall be for the time being allocated by Council under any decree regulations in that behalf, or, if the head is unable or unwilling to act, a person appointed by the governing body of the college;

3) a person appointed by the governing body of the college specified in (2) of this clause;

4) two persons appointed by Council;

5) a person appointed by the General Board;

6) a person appointed by the Social Sciences Board of the Faculty of Social Studies;

7) three persons appointed by the Board of the Faculty of Management Said Business School.

4. The professor shall be subject to the General Provisions of the decree regulations concerning the duties of professors and to those particular Provisions of the same decree regulations, which are applicable to this chair.

(b) Renaming of the Barnett Professorship of Comparative Social Policy and Politics

Explanatory Note

The following changes, made on the recommendation of the Social Sciences Division and the Department of Social Policy and Intervention, rename the professorship so that the name reverts to the Barnett Professorship of Social Policy (as it had been prior to a change in name approved for the duration of the tenure of the last post-holder). The opportunity is also taken to remove outdated references.

Text of Regulations

1. In Council Regulations 3 of 2004, concerning the Employment of University Staff, delete 'Barnett Professor of Comparative Social Policy and Politics' and substitute 'Barnett Professor of Social Policy'.

2. In Council Regulations 24 of 2002, concerning individual professorships, delete existing regulation §310 and substitute (new text underlined, deleted text struck through):

2) the head of the college to which the professorship shall be for the time being allocated by Council under any decree regulations in that behalf, or, if the head is unable or unwilling to act, a person appointed by the governing body of the college;

3) a person appointed by the governing body of the college specified in (2) of this clause;

4) two persons appointed by Council;

3. The professor shall be subject to the General Provisions of the decree regulations concerning the duties of professors and to those particular Provisions of the same decree regulations, which are applicable to this chair.

(c) Renaming of a Professorship of Primary Care Health Sciences

Explanatory Note

A number of posts within Medical Sciences have been given the Nuffield prefix in acknowledgement of the continued receipt by the Medical Sciences Division's clinical departments of the income from Lord Nuffield's Medical Benefaction to the University, and the strategic significance of the subject area. It is now proposed one of the Professors of Primary Care Health...
Sciences be given a ‘Nuffield’ prefix. It is not proposed to rename the second Professorship at this time, and therefore the changes below separate the two Professorships in the regulations.

Text of Regulations

1 In Council Regulations 3 of 2004, concerning the Employment of University Staff, delete ‘Professors (two) of Primary Care Health Sciences’ and substitute ‘Nuffield Professor of Primary Care Health Sciences’.

2 Ibid, insert ‘Professor of Primary Care Health Sciences’.

3 In Council Regulations 24 of 2002, concerning individual professorships, delete existing §103 and substitute (new text underlined, deleted text struck through):

§103. Nuffield Professorships (two) of Primary Care Health Sciences

1. The Nuffield Professors of Primary Care Health Sciences shall engage in advanced study and research and shall lecture and give instruction in Primary Health Care.

2. The professors shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor, or, if the head of the college specified in paragraph (2) below is Vice-Chancellor, a person appointed by Council;

(2) the head of the college to which each Chair may be allocated by Council from time to time, or, if the head is unable or unwilling to act, a person appointed by the governing body of the college;

(3) a person appointed by the governing body of the college referred to in paragraph (2) above;

(4), (5) two persons appointed by Council;

(6)–(9) four persons appointed by the Medical Sciences Board;

(10) a person holding a clinical appointment appointed by the Oxfordshire Primary Care Trust (or the relevant successor body in the NHS should that Trust cease to exist).

At least three members of the board, of whom one shall be a professor, shall hold clinical appointments.

3. The professor shall be subject to the General Provisions of the regulations concerning the duties of professors and to those Particular Provisions of the same regulations which are applicable to the Chair.

4 Ibid, insert new §104 as follows and renumber existing §104 onwards by plus one:

§104. Professor of Primary Care Health Sciences

1. The Professor of Primary Care Health Sciences shall engage in advanced study and research and shall lecture and give instruction in Primary Health Care.

2. The professor shall be elected by an electoral board consisting of:

(1) the Vice-Chancellor, or, if the head of the college specified in paragraph (2) below is Vice-Chancellor, a person appointed by Council;

(2) the head of the college to which each Chair may be allocated by Council from time to time, or, if the head is unable or unwilling to act, a person appointed by the governing body of the college;

(3) a person appointed by the governing body of the college referred to in paragraph (2) above;

(4), (5) two persons appointed by Council;

(6)–(9) four persons appointed by the Medical Sciences Board;

(10) a person holding a clinical appointment appointed by the Oxfordshire Primary Care Trust (or the relevant successor body in the NHS should that Trust cease to exist).

At least three members of the board, of whom one shall be a professor, shall hold clinical appointments.

3. The professor shall be subject to the General Provisions of the regulations concerning the duties of professors and to those Particular Provisions of the same regulations which are applicable to the Chair.

UK Brain Bank for Autism and Related Developmental Research, JR
The developing brain is altered in autism, but neuroscientists do not know how or why. Research is needed to understand the causes and biological basis of autism, to develop better interventions to improve the lives of those directly affected by it. Such critical research is hindered by the scarcity of donated human brain tissue. Control tissue, donated by people who do not have autism, is needed for comparison just as much as donations by people who do – and the NHS organ donor scheme does not include brain donation. We particularly want younger people to consider making a pledge to donate their brain after death (the further the brain is from its inception, the more difficult it is to understand the process of its development, so we do not take donations from people over 65 not directly affected by autism). See www.ukbrainbankforautism.org.uk for information and to register as a donor.
