Resolution: on the level of risk proposed by the USS trustee
The substance of this resolution has now been implemented. At a special meeting held on 7 March, Council reviewed its position on the USS survey of USS pension risks and decided, in light of the meeting of Congregation on 6 March, to reverse its previous response. This has been communicated to UUK.

(1) Topic for Discussion on proposed changes to the USS pension scheme and the background to the current dispute

A discussion on ‘proposed changes to the USS pension scheme and the background to the current dispute’ will take place on 24 April (week 1) at 2pm, open to members of Congregation. Because of the evolving nature of the negotiations concerning USS, it is recognised that the content of the topic for discussion will reflect the position as it stands in April.

Council wishes to reiterate its commitment to enabling the University and its USS staff to look for common ground and enable Oxford to play its full part in developing a sustainable solution to the USS pension issues.

There have been a number of significant developments in negotiations over the USS pension scheme. There was also a meeting of Council on Monday 12 March at which the USS scheme was discussed in some depth and it was agreed by Council that there should be a meeting of Congregation on 24 April to discuss the proposed changes to the USS scheme and the background to the current dispute. Council’s views are that:

• the Pensions Working Group should actively seek new solutions to the problem of the USS deficit and the sustainability of the scheme. The Working Group will continue to look for ways to develop new approaches that meet the needs of all concerned, and feed these into the discussions which we hope will continue between UUK and the UCU;

• the Pensions Working Group should be expanded to include members of the USS scheme and younger members of the University who may be particularly affected by the proposed changes. In setting up the Working Group, Personnel Committee and Council were guided by concerns about conflict of interest and so the Working Group’s membership was skewed away from those who were current members of the USS scheme. Council now considers that those legitimate concerns are overridden by the need to take full account of the interests of members of the scheme;

• Council wishes to make clear its commitment to ensuring that any consultation on changes to the USS scheme is given sufficient time to have a meaningful effect. The timing of the consultation period will be confirmed as soon as possible. Pensions law requires that the USS valuation concludes by 30 June. The University will ask UUK to press for an extension to that deadline so the Working Group’s membership was skewed away from those who were current members of the USS scheme. Council now considers that those legitimate concerns are overridden by the need to take full account of the interests of members of the scheme;

Advance notice by speakers

Those wishing to speak at the meeting are asked to indicate this intention by emailing congregation.meeting@admin.ox.ac.uk by the latest by noon on Friday 20 April. It would be helpful if members of Congregation intending to speak would explain in no more than 25 words what issues they wish to cover. Owing to time constraints, it may not be possible to call all those who wish to speak. On the other hand, if time permits those who have not indicated in advance may have an opportunity to speak.

Transcript

It is intended that a transcript of the meeting will be published in the Gazette of 3 May and, before then, on the Congregation website. As a result of time constraints, it will not be possible to check the report of the proceedings with individual speakers before publication. Speakers are asked to provide their written texts by email to congregation.meeting@admin.ox.ac.uk by 9am on Wednesday 25 April.
