Note: non-resident students. In addition there are 469 non-resident undergraduates: of these 302 are linguists, most of whom are spending a year abroad. There are 524 non-resident postgraduates working for their degrees and 453 postgraduates suspended or whose theses are being examined (of these 255 are in Arts, 198 in Science).

In past years matriculated students not following any specific Oxford course have been classified as either undergraduate (No Oxford Qualification) or postgraduate (No Degree or Diploma). It is thought that this approximate distinction is no longer appropriate and all such students are now classified as undergraduates in these tables.

* 67 in Arts and Social Studies, 30 in Science. 32 are Erasmus students.

† 123 in Arts and Social Studies, 34 in Science.

‡ All in Physiological Sciences.
