We will accept Standard Level scores for courses requiring Higher Level, and ask you to take a compulsory in-term Academic English course as detailed here.

I am holding an offer for undergraduate study beginning in October 2020 which includes meeting an English language requirement. How do I fulfil this condition when test centres are currently closed?

If you already hold an English language certificate, which meets our English language requirements, please send it to the college offering your place. For undergraduate offer holders who have not yet taken their English language test, we have made some changes to our English language requirements in response to test centres currently being closed in certain regions. This includes extending the normal deadline for meeting this requirement from 31 July to 10 August in 2020. Please see the chart below for more information on your particular circumstances.
