Returning Student Tuition Fee Rates 2009/10 - Postgraduate Taught

These are the tuition fee rates for students who began their programme of study (course) during the academic year 2008/09 or before. Tuition fees do not include college fees (unless otherwise indicated), accommodation, or other course and maintenance fees.

The rates listed are for one academic year, 2009/10. You should expect to pay tuition fees for every year you are in attendance and be aware these fees will increase annually. Fee rates are split into three residency categories: Home/EU, Islands* and Overseas. For further information about your classification please see the website.

The University is in the process of phasing in several changes in fee regulations. This means for some programmes of study (courses) the fee rate applicable is dependent on the date on which you commenced your current programme of study.

PLEASE NOTE: Islands fees* have not yet been set by the UK government for 2009/10. These rates are expected to be confirmed in May 2009. For an indication as to the level of fee charged please see the fee rates for [2008/09](#).
