Manchester attacks: Oxford vigil and security advice

Students took part in a [vigil held by OUSU](#) on Tuesday 23 May as a mark of solidarity for those affected by the Manchester attacks. Taking place at Radcliffe Square, it provided an opportunity to leave messages of support and listen to the perspectives of speakers.

No Oxford staff or students are known to have been involved in the Monday 22 May attack in Manchester. However, if you have family and friends who were involved in the events then you should get in touch with welfare staff within your college or department or contact [the Counselling Service](#).

As you may be aware, the threat level to the UK was raised to critical by the Prime Minister last week. There is no known threat specific to Oxford. However, you may notice an additional police presence. The advice remains that you should go about your business as normal, but stay vigilant and ensure you do not leave your personal belongings unattended in public spaces. Any suspicious activity can be reported to the police or to the anti-terrorist hotline on 0800 789 321.
