

# WHAT'S ON TONIGHT

Welcome to Curiosity Carnival at the Ashmolean! Think only physicists are interested in time and space? Think again! Curiosity Carnival at the Ashmolean explores how researchers use time and space to think about what makes us and the universe tick. Explore the galleries and discover all the interesting activities and the research that goes on in Oxford.

## LEVEL 1

Throughout the night

SEE: Mapping the Digital: Internet Geography

Gallery 30

DO: Collective Creativity in Action

Gallery 31

**DON'T MISS:**

WORKSHOPS

Gallery 33  
Limited to 20 people

19.30: Tales of Italians in America  
20.10: Here we go! (Football Violence)  
20.40: Heritage Divides - Heritage Unites  
21.10: Tales of Italians in America  
21.40: Here we go! (Football Violence)

## LEVEL 2

Throughout the night

SEE: Live Climate Data in 3D!

Gallery 35

DO: Humans of Data

Gallery 38

DO: Life Events & Health

Gallery 39

DO: Working with Words: English through Time

Gallery 41

DO: A Voyage into Vaccines

Gallery 43

MUSIC: Imagining the Future - An Interactive Soundscape

Gallery 44

**DON'T MISS:**  
WORKSHOPS

Gallery 46

Limited to 20 people

19.30: Curiosity Carnival Express  
20.10: Renaissance Insults (Warning: Explicit Content, 16+)  
20.40: Curiosity Carnival Express  
21.10: Renaissance Insults (Warning: Explicit Content, 16+)

## LEVEL 4

TALKS: Curiosity Yurt

Rooftop Terrace & Bar

19.30: Talking Genes with Robinson Crusoe, Dianne Newbury
