Postgraduate Diploma in Experimental Therapeutics

Brief note about nature of change: Name change to better reflect the content of the course. More detail around submission of assessed work, removal of suspension clause as that is covered in the general regulations

Location of change
In Examination Regulations 2016 http://www.admin.ox.ac.uk/examregs/2016-17/pdiet-eao--nregu/

Effective date
For students starting from MT 2017
And
For first examination from 2017-18

Detail of change
Amend citations reference as follows (new text underlined, deleted text struck through):
[1.2] 2. The Postgraduate Diploma is only available to students admitted for the degree of M.Sc.in Experimental and Translational Therapeutics. The course is available on a part time basis only and shall consist of instruction in the theory and practice of Experimental and Translational Therapeutics.

[1.5] 5. Candidates may be permitted in certain circumstances to suspend status, for a maximum of six terms. Any such period shall not count to the maximum or minimum permitted period of registration and no fee liability will be incurred during such periods.

[1.6–]–[1.8]–[1.5] Every candidate will be required to satisfy the examiners in the following:

a) participation, to the satisfaction of the course director, in each of the modules listed below;

b) six written assignments, each of not more than 4,000 words in length, one from each of the six modules specified.

[1.9] The assessed work set out in clause 5 6b shall be forwarded submitted to the examiners c/o Registry, Department for Continuing Education, 1 Wellington Square, Oxford OX1 2JA, for consideration by such date as the examiners shall determine and shall notify candidates.

[1.10]–[6.6]

[1.10]–[8.7]

[1.12]–[9.8] satisfy the examiners in any of the assignments under 6b 5 above

[1.13]–[10.9] committee may permit the candidate to be exempted from attendance and the submission

[1.14]–[11.10] committee may permit the candidate to be exempted from attendance and the
