DOCTORAL RESEARCH FELLOWSHIPS AT THE UNIVERSITÉ LIBRE DE BRUXELLES

2019-2020 ACADEMIC YEAR

The Philippe Wiener - Maurice Anspach Foundation is a Belgian public organisation whose aim is to help foster academic exchanges between the Université libre de Bruxelles and the Universities of Oxford and Cambridge.

The Foundation awards research fellowships to Oxford DPhil students who wish to spend up to one academic year at the Université libre de Bruxelles as part of their doctoral studies. These non-renewable fellowships are open to students from all fields. Please note that they are only granted to students who have successfully transferred to full DPhil status before September 2019.

FUNDING

€ 1.800 per month (minimum stay of 6 months and maximum stay of 12 months). The Foundation also covers registration fees to the ULB and for the International Certificate in Doctoral Research Training.

DEADLINE FOR APPLICATIONS

Applications for the 2018-2019 academic year must be received by **Monday 3rd December 2018**.
