

Jesus College

# AT A GLANCE

**Welcoming. Supportive. Vibrant. Academic excellence**

*The tutors here are super friendly and helpful, not to mentioned highly experienced at what they do.*

**Number of undergraduates:** approx. 370

**Location:**

You can find the main College site on Turl Street, in the heart of the city centre. We are conveniently located to access the University's departments, libraries and museums, plus the variety of shops, eateries and entertainment facilities that Oxford has to offer.

**Accommodation:**

Accommodation can be provided for undergraduates for all years. First-year students are housed in our main site in the city centre. Beyond first-year, students move into self-catering flats in the North or East of the city. Further information and a guide to the cost of accommodation can be found here:

<https://www.jesus.ox.ac.uk/study-here/life-at-jesus/accomodation/>.

**Accessibility:**

We have a dedicated Welfare Team to offer support and guidance to students with health, welfare and disability needs. Accessible accommodation is available and priority is given to those with access needs. Due to the age and grade listing of the College, some areas are less accessible than others. We will work with students and staff to ensure those with access needs are able to enjoy and experience the college as effectively as possible.

## **Information about catering:**

An outline of meals information is provided below. Alternative provisions are offered during Covid19 restrictions and revised services may operate outside of term-time. Breakfast is available Monday-Saturday (self-service). Lunch and the first sitting of dinner operate on an informal, self-service canteen-style system, with a selection of hot meals and a fresh salad bar to choose from. The second sitting of dinner is a more formal three-course meal served at the table. 'Formal Hall' is on a Thursday and includes a set 4-course meal at second sitting of dinner. We offer a variety of meal options and can cater for dietary needs. There are no self-catering facilities for first-year students within the central or Ship Street accommodation sites. However, we will happily work with students to accommodate special dietary requirements where possible.
