

St John's College

AT A GLANCE

Central. Spacious. Sociable. Generous. Picturesque

Work is hard but so rewarding.

I love having all my friends close by living on site

Number of undergraduates: 400

Location:

Central location, just a short walk from shops, museums, libraries and green spaces.

Accommodation:

The College is proud to be able to provide single room accommodation for all its undergraduates. All are single rooms for single occupancy and cannot be shared. Rooms are allocated by the Accommodation Office to all undergraduates in their first year.

The majority of rooms have access to shared bathrooms but a number of rooms are en-suite. The charges for accommodation for the academic year 2020-21 will be between £16.59- £19.51 per day.

Accessibility:

A significant proportion of our buildings are wheelchair accessible, we are working to adapt those which are currently not. Many of the new buildings have hearing loops, ramps and lifts. There are accessible toilets throughout college and accessible/ adapted bedrooms.
