- Continuing students will complete their enrolment in Student Self Service and will be able to access and print their enrolment certificate.
- Recognised Students (without a College) will complete their enrolment with the Student Information team (you must email or phone in advance to make an appointment. You will not be seen without an appointment).

Colleges and departments are able to see via eVision, which freshers (and continuing students) have or have not, verified their details. Although verification is not a pre-requisite for enrolment, it is your obligation to complete the task.

Using your single sign-on credentials, log in to Student Self Service and select My Student Record from the menu at the top to view the programme(s) on which you are required to register.

Clicking on the Register button, to the right of the relevant programme, will open the first of nine steps you are required to complete. At each step, you will be asked to enter any missing data and/or update any incorrect data.

---

1. You will receive an email from Student Information inviting you to complete Registration in early September either the first or second week of the month. [https://www.ox.ac.uk/students/registration](https://www.ox.ac.uk/students/registration)
2. [https://www.ox.ac.uk/students/new/recognised](https://www.ox.ac.uk/students/new/recognised)
2.1 Step 1: Identity and fee Information

- The tuition fees drop-down values list changes depending on the type of award programme. Select the option that most closely fits your situation. If there is a problem please contact student.fees@admin.ox.ac.uk for further advice.
- The Sex field displays a student’s legal sex as shown on a passport. You can contact your College to request either a preferred gender, or gender of ‘other’ to be recorded. If a preferred gender is recorded it will be displayed as an additional field below the ‘Sex’ field.
- Name Changes: If you want to change how your name is displayed, you will need to contact your college administrator in the first instance with proof i.e. passport, official documentation.

**Note:** Field information:
- Mandatory fields are marked with an * and the entry box is shaded yellow.
- Some fields cannot be changed by you, such as your name or date of birth etc. You can request amendments by contacting your College directly to arrange the change.

At the end of each of the first five steps, you will have the following options:

<table>
<thead>
<tr>
<th>Option</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Save and Exit</td>
<td>This will save the changes and exit the verification and enrolment functionality, taking you back to the Student Self Service home screen. The next time you access your record you will be taken to the point where you chose to exit, which will enable you to complete the task.</td>
</tr>
<tr>
<td>Next</td>
<td>Selecting this option will take you on to the next step.</td>
</tr>
</tbody>
</table>
2.2  Step 2: Contact details

- You can click on the **Change** button to amend the address sections and enter emergency contact details.

Specific information is needed by OCC to communicate with residents on registration, for verification of eligibility to vote and for inclusion of records on the electoral register (replaced the Electoral roll). Applications to register to vote would therefore involve you to agree to the supply of this data and provide your National insurance number.

This certificate is provided as evidence that the above student is registered at the University of Oxford for the period shown. For full-time students this provides evidence for Council tax exemption. For international students who must register with the police, this provides evidence of enrolment. Students registered on a full-time mode of attendance are expected to spend at least 40 hours per week studying. Any address details quoted within this statement have been supplied by the student and have not been checked by the University. If further proof of address is required this should be obtained directly from the student.
3  Check my Details

Following verification, registration and enrolment it is your responsibility as a student to keep your data up to date at all times. The data that you can update includes:

- Identity and fee information
- My contact information
- Disability and personal information
- Additional information
- Academic information
- Career Planning
- Electoral Registration Preference
- Study Activity Outside the UK
- Generate enrolment certificate

During the academic year you can access your personal and academic details at any time to view, update or request amendment(s) to.

After logging into Student Self Service (as described in section 2) you can select **My Student Record** to access your details.
The options replicate the screens previously checked during the verification process but they are independent of each other, enabling you to update specific area(s) without having to work through all the screens.

A button labelled Change or View will be available for each section and you can select to review and/or update the data. The button label may change depending on your level study and the type of data it refers to. For example:

- If you are an undergraduate student, you cannot amend the overseas study activities information and will be presented with a View option; whereas if you were a postgraduate student you will be presented with a Change option.

- Academic information cannot be updated by you, therefore only a View option displays.

From the main Check my Details screen, you can click View next to Generate Enrollment Certificate to print your enrollment certificate.

The Careers Planning information page asks you to voluntarily provide information about your career planning stage. The information you provide is intended only to be used by the Careers Service. They may use it to alert you about events, training programmes, internships or other opportunities that may be of interest, based on the answers you give to defined questions (see Section 2.6)

Online registration now includes an invitation to apply to join Oxford County Council (OCC) Electoral Register. The Individual Electoral Registration option was introduced in September 2016 following discussion and agreement between Oxford City Council (OCC) and the University of Oxford in July 2015. Specific information is needed by OCC to communicate with residents on registration, for verification of eligibility to vote and for inclusion of records on the electoral register (replaced the Electoral roll).

Applications to register to vote would therefore involve you to agree to the supply of this data and provide your National insurance number (see Section 2.7).

If you cannot amend but wish to update data, you can request a change using the Contact us options, as described in 2.8.
4  Graduate Supervision Reporting

For graduate students only

Graduate Supervision Reporting (GSR) is used by graduate students, supervisors, Course Directors, Directors of Graduate Studies (DGSs) and college advisors to review students’ academic progress.

4.1  Accessing GSR

To access GSR, go to the Student Self Service web page [www.ox.ac.uk/students/selfservice](http://www.ox.ac.uk/students/selfservice).

Click on the Access Student Self Service button. Use your Single Sign On (SSO) details to log into self-service. GSR is accessible via the My Supervision Reporting tab. Click on the tab to access your self-assessment reports.

4.2  Training Needs Analysis (graduate research students only)

Research students will be able to complete the Divisional Training Needs Analysis (TNA) form in Student Self Service and add this to their self-assessment report. The TNA will be stored in your student details screen after you have submitted it.

To complete the Training Needs Analysis (TNA) form, go to the Graduate Supervision Reporting section on the home screen and click on the link: Training needs analysis.

The TNA form will be displayed.
To start your TNA form click on **Create new Report**.

**MPLS Students only**

The majority of departments have opted to use the online form for graduate students’ TNA. If a department has provided you with a Word template to use for your TNA then select ‘Use document upload’ from the drop-down menu. Valid file types for upload are .pdf or xdoc. Otherwise select ‘Use Web Form’. Click Next to progress to the next step.

**Note** – TNAs are unique to each division. This is a copy of one from Medical Sciences.

**Note** – You are advised to save your work regularly.

Whilst working on your TNA, you can save your changes periodically by clicking **Save**. When you have finished working on the TNA, click **Save and Continue**. The TNA submission form will be displayed.

If a TNA has not been submitted it can be edited.
Note – You should discuss your TNA review with your supervisor before completing the submission form.

The yellow fields are mandatory so must be completed. The supervisor responsible for TNA review is selected using the drop-down menu. The menu will present a list of your supervisors. You select the one who has agreed to review your TNA.

The submit drop-down menu contains three options:
- **For review with supervisor** - which will send your supervisor an email asking them to review your completed TNA. No one else can see your TNA until you select final submit.
- **Final Submit** - takes a snapshot of your submitted TNA and allows all your supervisor(s) and Course Director/DGSs to view the form as part of supervision reporting.
- **Save, don’t submit** – select this if you aren’t ready to submit the TNA yet.

Click **Submit** to save any changes that you have made on this page.

Note – If you upload the wrong document then it is possible to replace it. Select **Delete** from this screen. If the TNA has been submitted, it cannot be deleted.

To open the uploaded file, click on the file name. Click **Next** to advance to the submission screen as detailed below.

You can view a historical TNA in the associated documents section of a submitted or historical report.
4.3  Preparing for Transfer / Confirmation (MPLS research students only)

MPLS research students will be able to complete their Preparing for Transfer of status and Preparing for Confirmation of DPhil status forms in Student Self Service and attach this to their report in GSR.

To complete the form go to the Graduate Supervision Reporting section and click on the link: Preparing for Transfer / Confirmation.

You will see a table with this header

```
<table>
<thead>
<tr>
<th>Preparing for Transfer/Confirmation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Form Type</td>
</tr>
<tr>
<td>Status</td>
</tr>
<tr>
<td>Date Last Updated</td>
</tr>
<tr>
<td>Action</td>
</tr>
</tbody>
</table>
```

To start a new form click 

**Note** - if you have previously submitted a preparing for transfer report, prior to the introduction of GSR, you will still see the option to create a preparing for transfer report as well as a preparing for confirmation report. There is no need to resubmit the preparing for transfer report.

Use the drop-down menu to select the preparing for transfer report or the preparing for confirmation report. Fill out the report once it has loaded.

Whilst filling out the report, you can save your changes periodically by clicking **Save**.

Click **Save and Continue** to close the report when you have finished making your changes. The report will be submitted when you submit your next self-assessment report.

To edit a saved form, click on Preparing for Transfer / Confirmation on the home page and click the **Edit** button.

**Note** – whilst a preparing for transfer report is awaiting submission, a transfer of confirmation form cannot be created. The **Create New Report** button will not populate until this is submitted.
A preparing for transfer / preparing for confirmation report is submitted when you submit your self-assessment report.

The form will appear in your self-assessment report. If you do not wish to submit the form along with your report you will need to tick the box to exclude it.

Historical Preparing for Transfer / Preparing for Confirmation forms can be found in the associated documents section of a previously submitted / historical report

4.4 Associated documents

Documents that you have previously uploaded in historical reporting windows can be found in the associated documents table when viewing your reports.

To view a historical report, you scroll to the bottom of your self-assessment report to find a list of historical reports. To read a historical report click View.

To find the associated documents section, scroll down until the section is found (just below Training Needs Analysis).

Documents such as CVs, previous preparing for transfer/preparing for confirmation forms and previous TNA’s will be stored. To view the document click View Document.

**Note** – When viewing a document, some web browsers will open the document directly, and some web browsers will prompt you to save the document first.

4.5 Self-assessment reporting windows

You can find out the standard reporting schedule here: [https://www.admin.ox.ac.uk/studentsystems/gsr/](https://www.admin.ox.ac.uk/studentsystems/gsr/)

Standard student reporting windows will open in week 7 of each of the three terms. Once a reporting window is open, you can submit your self-assessment report. Once a report is submitted for that term, your supervisor(s) responsible for monitoring academic progress will then be required to submit their own report on your progress in that term. Course Directors/DGSs can view the report and submit their own reports. College advisors can view the report and record how many times they have met with you.

A fourth reporting window, in the Long Vacation (summer) is being introduced for all research courses and will be used by some graduate taught courses (your department will let you know if this affects you).
4.6 Viewing your student details

During each reporting window, you will use GSR to complete a self-assessment report on your academic progress. As part of that report, you can raise any concerns or issues regarding your academic progress for the awareness of your supervisors, Course Director/DGS and college advisors. You can also view your student details as well.

To view your details, click on the My Supervision Reporting section on the home screen, then scroll to the bottom of the page and click on the link for Self-assessment supervision reports.

The Student details page will be displayed.

4.7 Accessing reports

Scroll to the bottom of the page and find a list of reports (depending on the number of terms you have been at the University). The current term’s report will be at the top of the list. Click on Edit to complete the current terms report. Alternatively click on View to read a historical record. You will have 12 months, following the completion of your course, to access Student Self Service.
Click **Edit** to progress to the **Edit Report** screen.

Use the drop-down menus to record the number of meetings against the supervisor and the college advisor. There is a prescribed list to choose from, they are not free text fields.

### 4.8 Flagging concerns

Below the meetings drop-down field is the opportunity to record whether you have any concerns about your academic progress. Supervisors should discuss any concerns about academic progress with the student before flagging a concern in GSR. There are four levels of concern that can be raised by a student, a supervisor and/or a Course Director/DGS. They are:

- **No concerns** – The student is performing as they should do and their academic progress is sufficient.
- **Minor concerns** – Satisfactory progress is being made, but minor issues have been identified where further action may be required to keep progress on track.
- **Major concerns** – One or more factors are significantly affecting progress, and further action is required now to keep progress on track.
- **Severe concerns** – Progress is being seriously affected by one or more factors, and a meeting with the Course Director/DGS should be held as soon as possible to discuss further action to get progress back on track.

**Guidance on flagging concerns**

Student concerns should relate directly to academic progress. If students are dissatisfied with any other aspects of provision e.g. their supervisory relationship or their working environment, they should raise these with the Course Director/DGS (or equivalent) in the first instance, and pursue them through the department’s complaints procedure if necessary.

Course Director/DGSs should review all flagged concerns and take action as appropriate. A severe concern should result in a meeting with the Course Director/DGS without delay. Course Director/DGS should briefly note any action being taken to resolve the matter.

### 4.9 Completing your current self-assessment report

Below the concern level is a free text box, with a 4,000 character limit, where you will write your self-assessment progress report for the current term.

You are encouraged to use this as an opportunity to:
Graduate Supervision Reporting

- Review and comment on your academic progress during the reporting period
- Measure your progress against the requirements and agreed timetable for your programme of study
- Identify skills developed and training undertaken or required (graduate taught students only, this is covered by the Training Needs Analysis form for research students)
- List your engagement with the academic community
- Raise any concerns or issues regarding your academic progress to your supervisor
- Outline your plans for the next term (where applicable)

Whilst working on your self-assessment reports, you can save periodically by clicking Save. When the self-assessment report is ready for submission, click Save and Submit.

4.10 Update concerns

If a concern has been raised against your academic progress, either by you or your supervisor(s) or Course Director/DGS then that concern can be updated, should the need arise. You can update a concern once you have submitted a report.

To update a concern, click on self-assessment supervision reports in the Graduate Supervision Reporting section on the home page.

Scroll to the bottom of the page and find a list of reports (depending on the number of terms you have been at the University). The current term’s report will be at the top of the list. Click View on this term’s report.

Scroll to the bottom of the report and click Update Concern.

Scroll to the bottom of that page until you reach the Update Concern Section.

Use the drop-down menu to select one of the two options:

**Cancelled (Flagged in error)** – use this option where a concern has been raised in error. This will remove the concern flag from the report list for that term

**Resolved** – use this option when you, or another contributor, have raised a concern legitimately, and you have taken steps to resolve the concern(s). This will turn the concern flag grey on your report list for that term. The word resolved will appear in brackets. Abi

Once you have chosen the correct option, click Save.
Note – you can only update a concern once.

4.11 Student Contacts

Your contacts are shown in the Student Contacts section of your self-assessment report, which you can view at any time.

<table>
<thead>
<tr>
<th>Role</th>
<th>Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>Supervisor</td>
<td>Professor Sarah Bashan</td>

<tr>

<td>Mr Phillip Swansea</td>
</tr>
<tr>
<td>Subject Administrator</td>
<td>Mr Michael Broaders</td>
</tr>
<tr>
<td>College Advisor</td>
<td>Professor Nigel Emptage</td>
</tr>
</tbody>
</table>

Departmental and college staff may update these in the lead up to your reporting period. If, during your reporting window, any of your supervisor contacts need updating, please inform your graduate studies contact. If any of your college advisor contacts need updating, please inform your college’s administrative office.
5 Examination Entry

The examination entry functionality provides you with the ability to view your compulsory assessments and select any elective assessments required for your year of programme according to the examination regulation for your subject. You will be advised by email when the examination entry window is opening and closing. Administrators from your college will also be notified. If you do not log in to Student Self Service to complete the task, a further two reminder emails will be sent: the first reminder three days prior to the window closing and the second on the date of the window closure.

When the selection has been completed, the examination and assessments entered will be summarised in Student Self Service for you to view.

When advised that the examination entry window is open, you can log in to Student Self Service (as described in section 2) and select My Exams to access the Examination Entry option.

---

**Note:** This screen displays your randomly generated candidate number for your information.
Providing that your examination window is open, you will be able to click on Examination Entry to access your compulsory and/or elective assessment options.

**Note:** If you have performed Exam Entry in a previous academic year then the below screen will be displayed.
