OXFORD FUNDING IN 2023

Please note that Oxford’s bursary levels for the Crankstart programme and Oxford Bursary scheme are due to be increased in light of current inflation rates. Further information on the latest provision will be published at ox.ac.uk/funding as soon as it is available.

STUDENTS WITH A HOUSEHOLD INCOME OF £27,500 OR LESS

UK-resident students studying for their first degree in 2023 with a household income of £27,500 or less will be offered a non-repayable Crankstart Bursary worth up to £5,000 per year towards study and living costs. The Crankstart Scholarship also provides access to funded internships to develop employability skills, volunteering opportunities and social and community-building events.

EXTRA ASSISTANCE FOR:

- UK bursary holders who live more than 80 miles from Oxford
- UK care-experienced students and UK estranged undergraduates studying without family support
- UK students requiring financial assistance to meet funding shortfalls

HOW TO GET FUNDING FROM OXFORD

Providing you complete a financial assessment in your application for UK government funding (applications open in early 2023 at gov.uk/apply-online-for-student-finance) you will be automatically contacted if you qualify for a Crankstart Scholarship or an Oxford Bursary. Your college may also offer additional student support funds, eg prizes, travel grants and book grants.
LIVING COSTS
Oxford living costs are estimated to be between £1,215 and £1,755 per month in 2022–23. You will usually need to be in Oxford for around six months of the year (three terms of eight weeks each), but you might find it beneficial to budget over nine months to cover the full academic year. UK students undertaking their first undergraduate degree can access government funding towards their living costs. A guide to the government funding available is shown below by regional funding agency (based on the latest information). Student Finance applications will open in early 2023.

COURSE FEES
Your Oxford course fees in 2023–24 will be confirmed in autumn 2022 at [ox.ac.uk/ugfees]. UK students undertaking their first undergraduate degree can access a tuition fee loan from the UK government for the full amount of the course fees. You do not need to pay anything up front if you take out a government fee loan. [gov.uk/apply-for-student-finance]

LOAN REPAYMENTS
Currently you are only expected to begin to pay back your Student Finance loan once you leave your course and are earning over a set amount. More information is available at [gov.uk/repaying-your-student-loan].

INFORMATION FOR STUDENTS FROM THE EU, EEA AND SWITZERLAND
Most EU nationals from outside the UK/Republic of Ireland (ROI) starting a course in the 2022–23 academic year will be charged the ‘Overseas’ rate of course fees, which will vary according to your programme of study. Fee rates will be confirmed in autumn 2022 at [ox.ac.uk/ugfees].

Irish nationals living in the UK or Ireland and students from the EU, EEA, and Switzerland who have been granted settled or pre-settled status in the UK under the EU settlement scheme may be eligible for ‘Home’ fee status and student support, if they meet the residence requirements. Visit our fee status page for more information at [ox.ac.uk/ugfeestatus].

EU applicants should visit our dedicated webpage at [ox.ac.uk/students/oxford-and-the-eu] for the latest details of the wider implications of the UK leaving the EU.

Already studied for a degree?
If you have studied at undergraduate level before and completed your course, you will be classed as an Equivalent or Lower Qualification student (ELQ) and won’t receive government or university funding. If you did not complete your degree, the funding you have already received will be taken into account so you might not get funding for the full length of your course. See [ox.ac.uk/elq].
