1 Introduction

The purpose of this manual is to provide information for University Students to assist them with how to verify their details, register and enrol, complete examination entry and book on to degree ceremonies.

1.1 Intended Audience

University of Oxford Students.

1.2 Objectives

On completion of this manual you will understand how to:

- Verify your details
- Complete the registration process and print your enrolment certificate
- Maintain your personal and academic information that is required during the academic year
- Select your examination structure options through exam entry
- View your assessment and academic results
2 Verification, Registration and Enrolment

During the Registration window you will be asked to log in to Student Self Service and verify the following:

1. Identity and fee information
2. Contact information
3. Disability and personal information
4. Additional information
5. Academic information
6. Career Plans
7. Electoral Register

Once you have completed verification and registration, the process for freshers or continuing students are as follows:

- Freshers will complete their enrolment at their college, department or faculty.
- Continuing students will complete their enrolment in Student Self Service and will be able to access and print their enrolment certificate.
- Recognised Students (without a College) will complete their enrolment with the Student Information team (you must email or phone in advance to make an appointment. You will not be seen without an appointment).

Colleges and departments are able to see via eVision, which freshers (and continuing students) have or have not, verified their details. Although verification is not a pre-requisite for enrolment, it is your obligation to complete the task.

Using your single sign-on credentials, log in to Student Self Service and select My Student Record from the menu at the top to view the programme(s) on which you are required to register.

Clicking on the Register button, to the right of the relevant programme, will open the first of nine steps you are required to complete. At each step, you will be asked to enter any missing data and/or update any incorrect data.

---

1 You will receive an email from Student Information inviting you to complete Registration in early September either the first or second week of the month. [https://www.ox.ac.uk/students/registration](https://www.ox.ac.uk/students/registration)
2 [https://www.ox.ac.uk/students/new/recognised](https://www.ox.ac.uk/students/new/recognised)
2.1 Step 1: Identity and fee Information

- The tuition fees drop-down values list changes depending on the type of award programme. Select the option that most closely fits your situation. If there is a problem please contact fee.schedule@admin.ox.ac.uk for further advice.

- The Sex field displays a student’s legal sex as shown on a passport. You can contact your College to request either a preferred gender, or gender of ‘other’ to be recorded. If a preferred gender is recorded it will be displayed as an additional field below the ‘Sex’ field.

- Name Changes: If you want to change how your name is displayed, you will need to contact your college administrator in the first instance with proof i.e. passport, official documentation.

Note: Field information:
- Mandatory fields are marked with an * and the entry box is shaded yellow.
- Some fields cannot be changed by you, such as your name or date of birth etc. You can request amendments by contacting your College directly to arrange the change.

At the end of each of the first five steps, you will have the following options:

<table>
<thead>
<tr>
<th>Option</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Save and Exit</td>
<td>This will save the changes and exit the verification and enrolment functionality, taking you back to the Student Self Service home screen. The next time you access your record you will be taken to the point where you chose to exit, which will enable you to complete the task.</td>
</tr>
<tr>
<td>Next</td>
<td>Selecting this option will take you on to the next step.</td>
</tr>
</tbody>
</table>
2.2 Step 2: Contact details

- You can click on the Change button to amend the address sections and enter emergency contact details.

2.2.1 Change address screen:

- You can click on the Get UK Address button to use the UK postcode address finder functionality.
2.2.2 Preferred emergency contact information screen:

- A maximum of three emergency contacts can be recorded: preferred, alternative one and alternative two.

2.3 Step 3: Disability and other personal information
The Disability Information drop-down contains a list provided by HESA. If you select a disability option, you will be prompted to state whether you receive Disabled Student Allowance. If you select “Two or more disabilities” you will be asked to state what they are.

3 Higher Education Statistics Agency
Verification, Registration and Enrolment

- For certain disabilities you will be asked about additional support needs. For a disability of “Not Listed” you can enter free text (max 50 characters)

2.4 Step 4: Additional information

![Additional information form]

![Step 5 of 9](image)

**Recognised Students** – please contact Student Information (student.information@admin.ox.ac.uk)
2.6 Step 6: Career Plans

The Careers Planning information page asks you to voluntarily provide information about your career planning stage. The information they provide is intended to be used by the Careers Service only. They may use it to alert you about events, training programmes, internships or other opportunities that may be of interest, based on the answers they give to defined questions.

Your data privacy is extremely important and your data will never be passed on to a third party. You can read the Careers Service Privacy Policy here (http://www.careers.ox.ac.uk/wp-content/uploads/2018/05/Published-Careers-Service-Privacy-Policy-2018-latest.pdf).

Beneath the Career plans and employability skills section are two questions regarding receiving communication from the Careers Service; so you can Opt in and/or Opt out of Career Service and employer emails.

Additional questions regarding Language Skills appear at the bottom of the screen during Registration (but not on the Check My Details screens).
Any queries about these questions can be directed to the Careers Service: reception@careers.ox.ac.uk
2.7 Step 7: Individual Electoral Registration

Online registration now includes an invitation to apply to join Oxford County Council (OCC) Electoral Register. The Individual Electoral Registration option was introduced in September 2016 following discussion and agreement between OCC and the University of Oxford in July 2015. Specific information is needed by OCC to communicate with residents on registration, for verification of eligibility to vote and for inclusion of records on the electoral register (replaced the Electoral roll). Applications to register to vote would therefore involve you to agree to the supply of this data and provide your National insurance number.

2.7.1 Step 7a: Apply to register to vote

- Following reading the information you can either choose Next steps to Join Oxford Electoral Register or choose Decline.
2.7.2 Step 7b: Joining Oxford Electoral Register

- If you choose Next steps to Join Oxford Electoral Register then you will see the below screen:

  [Image of the screen with the application to join Oxford Electoral Register]

- You need to:
  - Complete your NI number (or give a reason why you are unable to provide an NI number)
  - Tick the declaration.

- You will then see the below confirmation page:
2.7.4 Step 8a: Declining to join the Oxford Electoral Register

- If you choose to **Decline** then you will see the screen below:

Students cannot change some of the information shown (though you should continue with Registration in the meantime).

If you have queries about please contact:

**EMAIL ADDRESS CHANGE**

**RESEARCH COUNCIL STUDENTS:**
*Research Council students:* if your ESRC/AHRC/MRC information isn’t appearing on Student Self Service please continue to enrol as normal – we have been advised that this information will be updated later.

**SUPERVISOR CHANGE**
If there are any errors with your research supervisor on Student Self Service please contact your GSA to have these corrected. If your college advisor is listed incorrectly please contact your college.

**THESIS TITLE CHANGE**
If there are any errors with your thesis title listings on Student Self Service please contact your GSA to have these corrected.

For other queries please contact Student Information by using this form and we will investigate who can assist you. Please note that during Registration the helpline is very busy so please ensure your query is not listed above. Click on the **Contact us** button to open an email addressed to the Student Information team. You can then enter a message and click **Send**. A copy of the email will also be sent to you for your records.

2.9 Step 9: Declaration

When you reach step 9 you will be asked to confirm that the data you have checked and/or amended is correct.
Following your confirmation:

1) **You must click on the Finish button** in order to complete the process. If you are a Fresher you will also see a message above the Finish button prompting you to collect your University card from your college at which point you will also complete your enrolment:

![Confirmation screen](image)

**Note:** If you are a fresher and you click on the Finish button, the My Student Record link will disappear until you are fully enrolled by your college / department.

2) If you are a returning student, you will see the following message providing you with a link to generate your enrolment certificate. **You must click on the Finish button**

![Confirmation screen](image)

An example of an enrolment certificate is shown below.

**Please note:** If you do not complete Registration **completely** you will not be able to access your Enrolment Certificate or enrol for exams. It is worth double checking that you have clicked through each screen and pressed FINISH at the very end.

3 Check my Details

Following verification, registration and enrolment it is your responsibility as a student to keep your data up to date at all times. The data that you can update includes:

- Identity and fee information
- My contact information
- Disability and personal information
- Additional information
- Academic information
- Career Planning
- Electoral Registration Preference
- Study Activity Outside the UK
- Generate enrolment certificate

During the academic year you can access your personal and academic details at any time to view, update or request amendment(s) to.

After logging into Student Self Service (as described in section 2) you can select **My Student Record** to access your details.
Check my Details

The options replicate the screens previously checked during the verification process but they are independent of each other, enabling you to update specific area(s) without having to work through all the screens.

A button labelled Change or View will be available for each section and you can select to review and/or update the data. The button label may change depending on your level study and the type of data it refers to. For example:

- If you are an undergraduate student, you cannot amend the overseas study activities information and will be presented with a View option; whereas if you were a postgraduate student you will be presented with a Change option.
- Academic information cannot be updated by you, therefore only a View option displays.

From the main Check my Details screen, you can click View next to Generate Enrollment Certificate to print your enrollment certificate.

The Careers Planning information page asks you to voluntarily provide information about your career planning stage. The information you provide is intended only to be used by the Careers Service. They may use it to alert you about events, training programmes, internships or other opportunities that may be of interest, based on the answers you give to defined questions (see Section 2.6)

Online registration now includes an invitation to apply to join Oxford County Council (OCC) Electoral Register. The Individual Electoral Registration option was introduced in September 2016 following discussion and agreement between Oxford City Council (OCC) and the University of Oxford in July 2015. Specific information is needed by OCC to communicate with residents on registration, for verification of eligibility to vote and for inclusion of records on the electoral register (replaced the Electoral roll).

Applications to register to vote would therefore involve you to agree to the supply of this data and provide your National insurance number (see Section 2.7).

If you cannot amend but wish to update data, you can request a change using the Contact us options, as described in 2.8.
4 Graduate Supervision Reporting

For graduate students only

Graduate Supervision Reporting (GSR) is used by graduate students, supervisors, Course Directors, Directors of Graduate Studies (DGSs) and college advisors to review students’ academic progress.

4.1 Accessing GSR

To access GSR, go to the Student Self Service web page [www.ox.ac.uk/students/selfservice](http://www.ox.ac.uk/students/selfservice). Click on the Access Student Self Service button. Use your Single Sign On (SSO) details to log into self-service. GSR is accessible via the My Supervision Reporting tab. Click on the tab to access your self-assessment reports.

4.2 Training Needs Analysis (graduate research students only)

Research students will be able to complete their Divisional Training Needs Analysis (TNA) form in Student Self Service and add this to their self-assessment report. The TNA will be stored in your student details screen after you have submitted it.

To complete the Training Needs Analysis (TNA) form, go to the Graduate Supervision Reporting section on the home screen and click on the link: Training needs analysis.

The TNA form will be displayed.
To start your TNA form click on **Create new Report**.

**MPLS Students only**

The majority of departments have opted to use the online form for graduate students’ TNA. If a department has provided you with a Word template to use for your TNA then select ‘Use document upload’ from the drop-down menu. Valid file types for upload are .pdf or xdoc. Otherwise select ‘Use Web Form’. Click Next to progress to the next step.

**Note** – TNAs are unique to each division. This is a copy of one from Medical Sciences.

**Note** – You are advised to save your work regularly.

Whilst working on your TNA, you can save your changes periodically by clicking **Save**. When you have finished working on the TNA, click **Save and Continue**. The TNA submission form will be displayed.

If a TNA has not been submitted it can be edited.
Note – You should discuss your TNA review with your supervisor before completing the submission form

The yellow fields are mandatory so must be completed. The supervisor responsible for TNA review is selected using the drop-down menu. The menu will present a list of your supervisors. You select the one who has agreed to review your TNA.

The submit drop-down menu contains three options:
For review with supervisor - which will send your supervisor an email asking them to review your completed TNA. No one else can see your TNA until you select final submit.
Final Submit - takes a snapshot of your submitted TNA and allows all your supervisor(s) and Course Director/DGSs to view the form as part of supervision reporting.
Save, don’t submit – select this if you aren’t ready to submit the TNA yet.

Click Submit to save any changes that you have made on this page

Note – if you upload the wrong document then it is possible to replace it. Select Delete from this screen. If the TNA has been submitted, it cannot be deleted.

To open the uploaded file, click on the file name. Click Next to advance to the submission screen as detailed below.

You can view a historical TNA in the associated documents section of a submitted or historical report.
4.3 Preparing for Transfer / Confirmation (MPLS research students only)

MPLS research students will be able to complete their Preparing for Transfer of status and Preparing for Confirmation of DPhil status forms in Student Self Service and attach this to their report in GSR.

To complete the form go to the Graduate Supervision Reporting section and click on the link: Preparing for Transfer / Confirmation.

You will see a table with this header:

<table>
<thead>
<tr>
<th>Form Type</th>
<th>Status</th>
<th>Date Last Updated</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>Preparing for Transfer</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

To start a new form click Create New Report.

**Note** - if you have previously submitted a preparing for transfer report, prior to the introduction of GSR, you will still see the option to create a preparing for transfer report as well as a preparing for confirmation report. There is no need to resubmit the preparing for transfer report.

Use the drop-down menu to select the preparing for transfer report or the preparing for confirmation report. Fill out the report once it has loaded.

Whilst filling out the report, you can save your changes periodically by clicking Save.

Click Save and Continue to close the report when you have finished making your changes. The report will be submitted when you submit your next self-assessment report.

To edit a saved form, click on Preparing for Transfer / Confirmation on the home page and click the Edit button.

**Note** – whilst a preparing for transfer report is awaiting submission, a transfer of confirmation form cannot be created. The button will not populate until this is submitted.
A preparing for transfer / preparing for confirmation report is submitted when you submit your self-assessment report.

The form will appear in your self-assessment report. If you do not wish to submit the form along with your report you will need to tick the box to exclude it.

Historical Preparing for Transfer / Preparing for Confirmation forms can be found in the associated documents section of a previously submitted / historical report

4.4 Associated documents

Documents that you have previously uploaded in historical reporting windows can be found in the associated documents table when viewing your reports.

To view a historical report, you scroll to the bottom of your self-assessment report to find a list of historical reports. To read a historical report click View.

To find the associated documents section, scroll down until the section is found (just below Training Needs Analysis).

Documents such as CVs, previous preparing for transfer/preparing for confirmation forms and previous TNA’s will be stored. To view the document click View Document.

Note – When viewing a document, some web browsers will open the document directly, and some web browsers will prompt you to save the document first.

4.5 Self-assessment reporting windows

You can find out the standard reporting schedule here: https://www.admin.ox.ac.uk/studentsystems/gsr/

Standard student reporting windows will open in week 7 of each of the three terms. Once a reporting window is open, you can submit your self-assessment report. Once a report is submitted for that term, your supervisor(s) responsible for monitoring academic progress will then be required to submit their own report on your progress in that term. Course Directors/DGSs can view the report and submit their own reports. College advisors can view the report and record how many times they have met with you.

A fourth reporting window, in the Long Vacation (summer) is being introduced for all research courses and will be used by some graduate taught courses (your department will let you know if this affects you).
4.6  Viewing your student details

During each reporting window, you will use GSR to complete a self-assessment report on your academic progress. As part of that report, you can raise any concerns or issues regarding your academic progress for the awareness of your supervisors, Course Director/DGS and college advisors. You can also view your student details as well.

To view your details, click on the My Supervision Reporting section on the home screen, then scroll to the bottom of the page and click on the link for Self-assessment supervision reports.

The Student details page will be displayed.

4.7  Accessing reports

Scroll to the bottom of the page and find a list of reports (depending on the number of terms you have been at the University). The current term’s report will be at the top of the list. Click on Edit to complete the current terms report. Alternatively click on View to read a historical record. You will have 12 months, following the completion of your course, to access Student Self Service.
Click **Edit** to progress to the **Edit Report** screen

Use the drop-down menus to record the number of meetings against the supervisor and the college advisor. There is a prescribed list to choose from, they are not free text fields.

### 4.8 Flagging concerns

Below the meetings drop-down field is the opportunity to record whether you have any concerns about your academic progress. Supervisors should discuss any concerns about academic progress with the student before flagging a concern in GSR. There are four levels of concern that can be raised by a student, a supervisor and/or a Course Director/DGS. They are:

- **No concerns** – The student is performing as they should do and their academic progress is sufficient.
- **Minor concerns** – Satisfactory progress is being made, but minor issues have been identified where further action may be required to keep progress on track.
- **Major concerns** – One or more factors are significantly affecting progress, and further action is required now to keep progress on track.
- **Severe concerns** – Progress is being seriously affected by one or more factors, and a meeting with the Course Director/DGS should be held as soon as possible to discuss further action to get progress back on track.

#### Guidance on flagging concerns

Student concerns should relate directly to academic progress. If students are dissatisfied with any other aspects of provision e.g. their supervisory relationship or their working environment, they should raise these with the Course Director/DGS (or equivalent) in the first instance, and pursue them through the department’s complaints procedure if necessary.

Course Director/DGSs should review all flagged concerns and take action as appropriate. A severe concern should result in a meeting with the Course Director/DGS without delay. Course Director/DGS should briefly note any action being taken to resolve the matter.

### 4.9 Completing your current self-assessment report

Below the concern level is a free text box, with a 4,000 character limit, where you will write your self-assessment progress report for the current term.

You are encouraged to use this as an opportunity to:
• Review and comment on your academic progress during the reporting period
• Measure your progress against the requirements and agreed timetable for your programme of study
• Identify skills developed and training undertaken or required (graduate taught students only, this is covered by the Training Needs Analysis form for research students)
• List your engagement with the academic community
• Raise any concerns or issues regarding your academic progress to your supervisor
• Outline your plans for the next term (where applicable)

Whilst working on your self-assessment reports, you can save periodically by clicking Save. When the self-assessment report is ready for submission, click Save and Submit.

4.10 Update concerns

If a concern has been raised against your academic progress, either by you or your supervisor(s) or Course Director/DGS then that concern can be updated, should the need arise. You can update a concern once you have submitted a report.

To update a concern, click on self-assessment supervision reports in the Graduate Supervision Reporting section on the home page.

Scroll to the bottom of the page and find a list of reports (depending on the number of terms you have been at the University). The current term’s report will be at the top of the list. Click View on this term’s report.

Scroll to the bottom of the report and click Update Concern.

Scroll to the bottom of that page until you reach the Update Concern Section.

Use the drop-down menu to select one of the two options:

**Cancelled (Flagged in error)** – use this option where a concern has been raised in error. This will remove the concern flag from the report list for that term

**Resolved** – use this option when you, or another contributor, have raised a concern legitimately, and you have taken steps to resolve the concern(s). This will turn the concern flag grey on your report list for that term. The word resolved will appear in brackets. Abi

Once you have chosen the correct option, click Save.
Note – you can only update a concern once.

4.11 Student Contacts

Your contacts are shown in the Student Contacts section of your self-assessment report, which you can view at any time.

<table>

### 5.2 Submitting a new On Course Application

A list of applications available to you (depending on the stage of your studies) is displayed under the ‘New On-Course Applications’ heading.

To begin the application click on the relevant application (e.g. Change of Thesis Title) which will display a summary of the purpose of the application in some cases and an ‘Apply’ button.

Clicking the ‘Apply’ button will start the application.

**Note**: If you have already started the application then the ‘Apply’ button will not be visible. The application will be appearing under one of the other headings on your dashboard i.e. ‘Submitted’, ‘Unsubmitted/Draft’ or ‘Additional action required’.
A series of questions relating to your application will then follow, including a Declaration of Consent which you need to read and choose ‘I Accept’ to proceed with your application.

There will also be an opportunity to upload up to four files (4MB maximum) to support your application before submitting.
On each screen there is a ‘Save’ and ‘Save and Continue’ button.

Choosing ‘Save’ or navigating away from the screen without clicking a button will then move the application to the ‘Unsubmitted/Draft’ heading on your On Course Application dashboard.

Choosing ‘Save and Continue’ button will progress the application to the next screen until you come to a screen to select your supervisor (apart from the ‘Notification of withdrawal from programme of study’ which will be submitted to your college).

If you have a primary supervisor, then your application will be automatically assigned to them, otherwise select your supervisor from the dropdown and click the ‘Save and Submit’ button.

If you do not have a supervisor assigned then your GSA will be able to resolve this in eVision for you.
If you need to move back to a previous screen, then you can click on the appropriate link within the breadcrumb.

Once your application has been submitted it will appear under the ‘Submitted (Track your application here)’ section of your dashboard.

You will be able to see where your application currently is in the approval process (e.g supervisor) and review your application again using the magnifying glass (🔍) icon.
5.3 Viewing completed applications

You can view any applications which have been approved, rejected or withdrawn under the 'Completed' heading.

Click the magnifying glass icon to review the application.

For some programmes there are multiple entry dates, for example ETh, and so you are not necessarily required to enter. The same is true of students who are eligible to offer a Supplementary Subject. If this is the case then when you click the Examination Entry button, when it becomes available, then you will be taken to another screen where you can state whether you wish to take the opportunity to enter or not. If you are not presented with this option then you are expected to enter.

For further information, visit Examination Entry on the University website or contact your College Office. For any changes of option, withdrawals or late entries, you must apply through your college to the Academic Records Office, and pay the relevant fees.
