

DigiComms request form

Christopher Eddie

7 July 2016

Need to amplify your message?

- Mainly Twitter – frequent posts
- Facebook – one a day, planned ahead
- LinkedIn – couple of times a week
- Weibo – if aimed at Chinese audience
- YouTube – add to our channel

Need to amplify your message?

- Homepage – usually Discover carousel.
- Must have a good image, clear message and link through to a webpage, not just a PDF.
- We like stuff for prospective students (main audience) or that showcases outstanding research, plus information for the local community and visitors (eg exhibitions).
