Graduate Studies: Taught programmes

Unless otherwise stated, the fee rates quoted in the table below are University composition fees only. In addition, College fees are payable. Information about College fee rates may be obtained by contacting your College Office.

The definitions used by the University in the **classification of students for fee purposes** as 'Home/EU', 'Islands' (Channel Islands and Isle of Man) or 'Overseas' are given in the Prospectus and the University's Examination Regulations. This classification depends on certain residence conditions, and students in doubt about their classification should contact their College Office or the University Fees Clerk (telephone: 01865 270040, e-mail fees.clerk@admin.ox.ac.uk).

Unless otherwise stated, rates listed below are for full-time study. For programmes offered part-time, where no part-time rate is quoted below, fees for part-time students will be half the full-time rate.
