

## University of Oxford Tuition Fee Rates

### Continuing Undergraduate Students 2010/11

These are the tuition fee rates for the academic year 2010/11 for students who started their current course in 2009/10 or earlier. Tuition fees do not include college fees, accommodation, or other course and maintenance fees.

The rates listed are for one academic year, 2010/11. You should expect to pay tuition fees for every year you are in attendance and be aware these fees will increase annually. Fee rates are split into three residency categories: Home/EU, Islands\* and Overseas.

If you have previously studied at undergraduate or graduate level (e.g. you are returning to study a second Bachelors degree) you may be liable to pay the higher ELQ fee given in the fee lists.

For further information on any of the above please see: <http://www.ox.ac.uk/feesandfunding/fees/information/universityrates/>

**Home/EU** - students (non-ELQ) have fees of £3,290 for courses started in 2006/07 or later and £1,310 for courses started in 2005/06 or earlier.
