

University of Oxford Tuition Fee Rates

New Undergraduate Students 2010/11

These are the tuition fee rates for the academic year 2010/11. Tuition fees do not include college fees, accommodation, or other course and maintenance fees.

The rates listed are for one academic year, 2010/11. You should expect to pay tuition fees for every year you are in attendance and be aware these fees will increase annually. Fee rates are split into three residency categories: Home/EU, Islands* and Overseas.

If you have previously studied at undergraduate or graduate level (e.g. you are returning to study a second Bachelors degree) you may be liable to pay the higher ELQ fee given in the fee lists.
